

The photo to the right is the current team assigned to the only Airman and Family Readiness Center-Deployed in the U.S. Air Forces Central area of responsibility (AOR). A team of three A&FRC staff support more than 8,000 deployed personnel in Southwest Asia.

From left to right is Ms. Kehinde Pamphille, CRC from Peterson AFB, TSgt Jason Crosby, RNCO from Tinker AFB and Ms. Kelly Stewart CRC from Andrews AFB. Ms. Stewart joined the current team at the end of March.

Together they are providing great support and services for the deployed troops in the AOR.
